## HALIFAX, NOVA SCOTIA

LOGISTEC

Logistec has been handling cargo in Halifax for over 40 years. At Ocean Terminals, we have mobile harbour cranes and other specialized equipment to make the most of the facility's ample laydown and storage areas. We can also handle offshore resupply shipments and services for cruise ships at this location.

Our experienced team of professionals offers transloading, container stuffing and destuffing, and other port logistics services to help connect quickly and cost-effectively with intermodal transport and CN rail directly at the port.
